

PTA 5K Recruiting Service Agreement

This PTA 5K Recruiting Service Agreement ("Agreement") is entered into between the _____ PTA/PTSA ("PTA/PTSA") and the _____ ("Team/Organization").

WHEREAS, the PTA/PTSA will be a participating PTA in the 16th District PTA's 2016 PTA 5K Run/Walk ("Event") on Sunday, December 4; and

WHEREAS, as a participating PTA, the PTA/PTSA will receive as "Fundraising Profit" from the 16th District PTA all entry fee income that is tagged and associated with the PTA/PTSA, minus an equally divided portion of Event costs; and

WHEREAS, the PTA/PTSA would like to engage the Team/Organization to recruit participants to register for the Event;

NOW, THEREFORE, for and in consideration of the mutual promises, agreements, and covenants set forth herein, the PTA/PTSA and the Team/Organization agree as follows:

1. The Team/Organization will use its best efforts to recruit eligible participants to register for the Event. Registrations may be on-line or hard copy in the form designated by the 16th District PTA.

2. The PTA/PTSA will pay the Team/Organization, from its Fundraising Profits, _____ per eligible registrant the Team/Organization recruits. Registrations will be tracked both on-line and via hard copy using a coding system implemented by the 16th District PTA. Only those registrants who use the appropriate designated code will be counted toward recruiting numbers for the Team/Organization.

3. The Team/Organization should expect to receive compensation for their recruited registrations approximately six (6) weeks after the date of the Event. The Team/Organization will not be compensated until the PTA/PTSA is compensated. If total registrations attributed to the PTA/PTSA fail to cover the PTA/PTSA's share of Event expenses, the PTA/PTSA earns a profit of \$0.00. In this case, the Team/Organization will also earn a profit of \$0.00.
